

Novartis Business Services (NBS) ^[1]

Powering productivity through innovation, data, and process expertise

NBS in India

Novartis Business Services (NBS) delivers high-quality business services to all of Novartis in areas such as IT, Procurement, HR, Product Lifecycle Services (PLS), Financial Reporting and Analytics (FRA), and Real Estate and Facility Services (REFS). India hosts all of the key NBS functions for Novartis worldwide. We combine deep functional expertise with advanced, integrated data analytics to deliver an innovative and data-driven approach to business services thus playing a critical role in the delivery of the Novartis mission.

At our global service center in Hyderabad, our 2000+ NBS associates carry out several engagements in the areas of technology, financial reporting and analytics, compliance, competitive intelligence, market research, business analytics, HR operations, and procurement services. We play an extremely critical role in our global strategy by enabling our commercial teams make the right decisions backed by research and analytics.

We provide our associates a work environment in which they can thrive and succeed - exciting mix of challenging projects, learning opportunities and a culture that inspires. Associates at NBS have the opportunity to work with global teams from across all the Novartis businesses.
