

## **Data Privacy** <sup>[1]</sup>

You are receiving this Privacy Notice because you are visiting a website or using a mobile application (“app”) from one of the companies of the Novartis group. As a result, Novartis is processing information about you which constitutes “personal data” and Novartis considers the protection of your personal data and privacy a very important matter.

Novartis is responsible for the processing of your personal data as it decides why and how it is processed, thereby acting as the “controller”. It may exercise this responsibility alone or jointly with other company(-ies) in the Novartis group, acting as “co-controller(s)”. In this Privacy Notice, “we” or “us” refers to [Novartis Company].

This Privacy Notice is divided into two parts. Part I contains practical information about the specific personal data we process when you visit our website [[www.novartis.in](http://www.novartis.in)] <sup>[2]</sup>, why we process this data and how. Part II contains more general information about the standard technical or transactional personal data which we are processing about visitors of our websites and users of our apps, the legal basis for using your personal data, as well as your rights in respect to all personal data collected about you.

We invite you to carefully read this Privacy Notice, and for any further question in relation to the processing of your personal data, we invite you to contact [biome.india@novartis.com](mailto:biome.india@novartis.com) <sup>[3]</sup>.

### **Part I – Key information**

[Novartis Company] is processing personal data about you when you visit our website [[www.novartis.in](http://www.novartis.in)] <sup>[2]</sup>

#### **Specific personal data to be collected**

For this purpose, we will collect the following specific personal data about you:

- o Name of the startups company
- o Email ID
- o Phone number
- o Name of the founder
- o Brochure of the company

This information may either be directly provided by you (e.g. when filling a web form or interacting with a website or app), provided by third parties or obtained through trusted

publicly available sources.

### **Specific purposes for which we require your personal data**

The collected information will be used by us for the following specific purposes:

This data is collected for future correspondence with the external startup's and partners participating in the HealthX challenge.

Please note that the collected data may also be used by us for a number of other standard purposes (e.g. to measure the usage of our website and app), as set out in Part II below.

### **Specific third parties with whom we share your personal data**

We will share your personal data with the following third parties:

Please note that we may also have to share your data with a number of other recipients (e.g. another entity of the Novartis Group, Our Biome ecosystem partners) but always under strict conditions, as further explained in Part II.

### **Duration of storage**

We will only store the above personal data and the personal data listed in Part II for a period of 6 Month.

### **Dedicated point of contact**

Should you have any question in relation to the processing of your personal data in the above context, please contact [biome.india@novartis.com](mailto:biome.india@novartis.com) [4].
